SAFETY GUIDELINES

To achieve maximum safety while using your Razer accessory, we suggest that you adopt the following guidelines:

- Should you have trouble operating the accessory properly and troubleshooting does not work, detach the accessory and contact the Razer hotline or go to support.razer.com for support.
- The accessory is intended for use only with compatible Razer devices, as listed on support.razer.com.
- Don't take apart the accessory and don't attempt to operate it under abnormal current loads. Doing so will void your warranty.
- Don't use or place the accessory near water, moisture, or other wet surfaces.
- Don't use or place the accessory near any heat, naked flame, or other hot surfaces such as radiators, stoves, fireplaces, and candles.
